Course Introduction:

Human Resource Management Diploma offered by BOLC will help you develop the knowledge, skills and methodology necessary to meet the human resource challenges of today’s fast-paced work environment. The programme will help you develop a strong foundation in current HR best practices and will prepare you to lead the strategic deployment of human capital for all sorts of organizations.

I am half way through this course and I have found it very interesting. I would recommend this course to all who are either starting out in HR, or those who have been practicing in HR already. Overall I am very pleased with the course and have found it of great benefit.
